CEILING ATTACHMENT ASSEMBLY

Romeo  
Moon S1  
p.03

Romeo  
Moon S2  
p.03

WARNING! When installing and whenever acting on the appliance, ensure that the power supply has been switched off. For the installation of the spare-part, it is necessary to consult a qualified electrician.

## RF81836

### CEILING ATTACHMENT ASSEMBLY

Fig.1

Disassemble the cable stopper (A), remove the safety split pins (B), unscrew the knurled nuts (C) and adjustment ring (D).

WARNING! When installing and whenever acting on the appliance, ensure that the power supply has been switched off. For the installation of the spare-part, it is necessary to consult a qualified electrician.

# RF81836

## CEILING ATTACHMENT ASSEMBLY

Fig.2

Fix the wall attachment (E) utilizing appropriate expansion bolts.  
**REMARKS!** Select and utilize screw plugs which are suitable for the surface where the assembly is to be installed.  
 Assemble the adjustment balance ring by tightening the milled bolts and insert the safety cotter pins.

WARNING! When installing and whenever acting on the appliance, ensure that the power supply has been switched off. For the installation of the spare-part, it is necessary to consult a qualified electrician.

KIT WITH BRASS WIRE CLAMPS AND SCREWS

Fig.1

Insert the steel wires (L) through the relevant cable-clamps of the control ring,  
as shown in the image.  
Adjust them to the desired length and cut off any excess. Fix in place by  
tightening the screws.

WARNING! When installing and whenever acting on the appliance, ensure that the power supply has been switched off.  
For the installation of the spare-part, it is necessary to consult a qualified electrician.
