KHO LIANG IE

The K46 floor lamp by Kho Liang ie is a masterpiece of simplicity and elegance. Designed with a keen eye for proportion and balance, the lamp embodies the belief that good design should be both functional and visually engaging. The influence of Kho Liang ie's Eastern heritage is clearly reflected in the choice of materials. The laminated paper shade emits a soft, diffused light that creates a warm and atmospheric glow, while the refined metal frame adds a subtle graphic accent, giving the lamp both lightness and sculptural presence. The K46 seamlessly combines functionality with an iconic design language. Its harmonious composition makes it both a practical light source and a sculptural statement piece that enhances any interior.
