

AMORPHOUS PLANTER

Small, White

With an asymmetrical shape that recalls the beauty of small ponds in the countryside, the Amorphous Small White Planter will be a delightful element on any patio, loggia, or garden setting. Easy to move around because it is made from composite, the Amorphous Planter, which also comes in a taller version, will be a plant's helpmate. Each of these sizes reflects Phillips Collection's ethos: modern organic.
