

CIRCULAR CRACKED MIRROR

Black & Gold

With a frame that looks as if it has shattered to reveal a luminous inner beauty, the Circular Cracked Black and Gold Mirror is a round decorative mirror made of composite in a mix of matte black and gold leaf finishes. The juxtaposition of the deep black and brilliant gold makes this a piece of wall art that will bring contrast to a space, an all-important element for creating smartly designed interiors. The textural quality of the organically shaped gold section that surrounds the mirror is also a design detail of note. This round mirror reflects the ethos that Phillips Collection personifies: modern organic.
