

DAHLIA FLOWER WALL ART, WHITE STONE

With a complex profile that mimics the glorious blooms of its namesake flower, the Dahlia White Stone Wall Art is made of composite in a white stone finish. These floral wall sculptures are so pert, you'll want to hang them in multiples in a gallery wall installation. We also offer the Dahlia in a gel-coat white finish if a crisper white is the preferred hue for your space. Each of these reflects the ethos that Phillips Collection personifies: modern organic.
