

FLOWER WALL ART, LARGE, BLACK, METAL

The lacy artistry of the Large Black Flower Wall Art will make a dramatic statement on its own; arrange it alongside a variety of different sizes in the same chic black, and you bring a room a massive dose of loveliness. The filigree effect of the profile, which is cut from metal and powder coated for a rich, lasting finish, will throw textural shadows on surrounding surfaces that will evolve with the movement of the sun. If black is not the perfect color for a space, we offer the floral wall sculptures in a number of colors, from copper, blue and yellow to red, gray and ivory. Each of the offerings in this collection reflects the ethos that Phillips Collection personifies: modern organic.
