

PETRIFIED FRACTURE TABLE TOP SCULPTURE

Mixed

A study in contrast and continuity, the Petrified Fracture Table Top Sculpture transforms a moment in time into a timeless statement. Formed from authentic petrified wood, its surface bears the intricate patterns and tonal shifts created over millions of years. The natural split through its center reveals a striking interplay between strength and vulnerability, inviting contemplation on nature's quiet power. Mounted on a sleek metal base, this piece balances raw organic beauty with refined simplicity, creating an evocative accent for any modern interior.
