

BRUSH 60

DESIGNER : PIERRE CHARRIÉ

YEAR : 2023

ORIGIN : FRANCE AND ITALY
2 YEARS WARRANTY

MATERIAL : ALUMINIUM, STEEL

The Brush collection was born during a workshop in Vietnam with the company Hanoia when designer Pierre Charrié explored the world of lacquered objects. A craft that requires using colour as an essential element of an object, finding its relationship with space and volume. A level of sophistication through which colours take shape in three dimensions as they run from

the top to the bottom of the lamp. The final shape comes from using an artisanal technique known as metal spinning, for absolute mastery over the rounded oblong form that combines the geometric and the organic.
