Hand-cut coco shell in petal forms in an off-white finish. Natural markings and indentations are part of the inherent beauty of coconut shells and add interest to the piece. Chandelier comes with a cream finished chain and canopy hanging kit. Lighting fixtures weighing more than 50 lbs. are not able to be mounted directly to a standard ceiling junction box and may require additional support from a ceiling brace as needed. Professional installation recommended. Coordinates with the Coco Magnolia collection.
