PRODUCT TYPE

Floor & table lamps

The Chicago sideboard collection, designed by Norm Architects, is a tribute to modernist architecture and the construction techniques representative of this period. A concept that translates into rational, light and floating forms reminiscent of mid-century projects.

TIPOLOGÍA DE PRODUCTO

Lámparas de pie y sobremesa

La colección de aparadores Chicago diseñada por el estudio Norm Architects, es un homenaje a la arquitectura moderna y a las técnicas de construcción representativas de este periodo. Un concepto que se traduce en formas racionales, ligeras y flotantes que recuerdan a los proyectos de mediados de siglo.
