

Riviera Dining Table - 108" - Rectangular

108857

A stunning, rectangular dining table that has modern appeal, infused with a dash of tropical flair. Part of the Outdoor by SUNPAN collection, it features a natural solid teak wood frame and is completed with taupe weave wrapping on the table base. Also available in a round version. Teak wood will develop a silver-grey finish over time. Teak wood has a high oil content that enables its outdoor resistant properties. These natural oils may surface and potentially leave teak marks on fabrics upon contact, which can be easily washed away. Visit our Product Care page for more information on how to ensure the lasting beauty of this piece. As wood is an organic, porous material, these pieces will contain natural variations of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
