Introducing Pearl

**Pearl**

Within the shell of an oyster and out sight of the world, a grain of sand is turned into a pearl, resulting in one of nature's most opulent artifacts. The new Pearl collection is beauty from within. Hand-blown Italian glass forms an outer shell that masks an internal hand-blown pearl. Layered and rich, Pearl will take you back to the elegance of the 80s.

Old Soul, New American Spirit

Roll & Hill makes furniture and lighting with an old soul and new American spirit. Curator and manufacturer, we partner with the most interesting designers working today on pieces we produce, on-demand in our Michigan factories, to ensure their exceptional quality. The results, a marriage of beauty and function, are the antithesis of the usual.
