Nathalie du Pasquier and Danish Brand Raawii Splash Color on Coat Hooks

The Milan-based painter and Memphis Group cofounder strikes again with eye-catching coat racks

Nathalie du Pasquier, the French-born, Milan-based painter (you know her as a founder of the irreverent 1980s design movement the Memphis Group), has now taken her superb sense of color and composition to a surprising staple: coat hooks! In a new collaboration with the Danish brand Raawii, she tapped European artisans to realize wooden wall-mounted racks in three sizes and color combos. Jackets everywhere rejoice. raawii.eu
