PLEC TABLES

ANTONI PALLEJÀ OFFICE

Plec is a collection of tables that are as happy together as they are apart. With their accordion -shaped legs, they love creating light and shade effects with their symmetrical folds and sensual colors.
Their sculptural design, which might seem classical at first, proves capable of adapting to every atmosphere. Metal gives them an industrial feel, and marble, the elegance and authenticity. Colors confer personality and uniqueness. And with the combination of these elements, Plec reveals its savoir-faire, Plec reveals its savoir-faire.
The Plec collection includes rectangular and round occasional tables, a desk, a dining table, a pedestal and a shelving system.

Plec es una colección de mesas que se llevan bien tanto juntas como por separado. Con sus patas en forma de acordeón, juegan con la luz y crean efectos de luces y sombras con sus simétricos pliegues y sensuales colores. Su diseño escultural, que a simple vista podría parecer de estilo clásico, se adapta al entorno. El metal le confiere la fuerza y el look industrial y el mármol, la elegancia y la naturalidad. Y su gama de colores, el carácter y la singularidad.
La colección Plec se compone de mesas de centro y auxiliares rectangulares y redondas, de un escritorio, de una mesa de comedor, un pedestal y una estantería.
