

DIAGONAL INDOOR POOL TABLE

YONOH

Inspired by the geometry of billiards and one of the main avenues that shape Barcelona, the city it comes from, Diagonal draws a precise line connecting play, design, and art. A piece of serene, timeless beauty, born from the purity of its forms, its authenticity, and the ingenious combination of materials and colors. An exercise in absolute balance between design and playability, capable of transforming any space with elegance, character, and a bold, playful attitude.

Inspirado en la geometría del billar y en una de las grandes avenidas que vertebran Barcelona, su ciudad de origen, Diagonal traza una línea precisa entre juego, diseño y arte. Una pieza de belleza serena y atemporal, nacida de la pureza de sus formas, su autenticidad y la ingeniosa combinación de materiales y colores. Equilibrio absoluto entre diseño y jugabilidad, capaz de transformar cualquier estancia con elegancia, carácter y una actitud playful y decidida.

DIAGONAL OUTDOOR POOL TABLE
YONOH

Diagonal pool table emerges as a piece that captures the gaze from afar. A refined structure shaped by planes that meet with precision, elevating the game with an almost unexpected sense of ease. The strength of its resilient materials conveys calm confidence, ready to step into covered outdoor settings. Every angle holds intention, every junction reveals a devotion to detail. Diagonal inhabits the space with distinct presence as a piece conceived to endure, where resilience becomes elegance and geometry transforms into a lasting gesture.

El billar Diagonal se presenta como una pieza que captura la mirada desde la distancia. Una estructura nítida, construida a partir de planos que se cruzan con precisión y elevan el juego con una naturalidad casi inesperada. La solidez de sus resistentes materiales expresa calma y determinación para lanzarse a ambientes exteriores cubiertos. Cada ángulo responde a una intención, cada encuentro revela el cuidado por el detalle. Diagonal habita el espacio con una belleza esencial. Una pieza concebida para perdurar, donde la resistencia se convierte en elegancia y la geometría en un gesto que permanece.

DIAGONAL TOP POOL TABLE
YONOH

With its wood or HPL top, the Diagonal pool table takes on a new expression and becomes a dining table. A continuous surface that rests upon the geometry of play, redefining its presence within the space. The top conceals the baize while simultaneously revealing another way of inhabiting it: to share, to gather, to live together. A natural fusion of play and purpose, designed for spaces where every meter matters. Through this gesture, space is no longer a limitation and becomes an opportunity, expanding the possibilities of the Diagonal billiard table and extending its life beyond the game.

Con el sobre de madera y HPL, el billar Diagonal adopta una nueva expresión y se convierte en mesa de comedor. Una superficie continua que se posa sobre la geometría del juego y redefine su presencia en el espacio. El sobre cubre el tapete y, al mismo tiempo, revela otra forma de habitarlo: compartir, reunirse, convivir. Una fusión natural entre juego y funcionalidad pensada para entornos donde cada metro importa. Porque con este gesto, el espacio deja de ser una limitación y se transforma en oportunidad, multiplicando las posibilidades del billar Diagonal y prolongando su vida más allá de la partida.

MOU FLOOR CUE RACK
YONOH

Mou and Diagonal meet and begin to move together in a quiet choreography of complicity. The Mou floor cue rack is the essential companion to the Diagonal pool table, bringing order, balance, and calm to the game. Every accessory has its own space. Everything is within reach. Everything feels right. Space remains for music, for drinks, and for those small rituals that turn each match into a moment to step away, focus, share camaraderie, and embrace a bit of challenge.

Mou y Diagonal se encuentran y se mueven al unísono. Juntos bailan en una coreografía de complicidad. El carrito Mou es el complemento esencial del billar Diagonal, diseñado para acompañar el juego con orden, equilibrio y calma. Todos los accesorios encuentran su lugar. Todo está a mano. Todo cobra sentido. Incluso hay espacio para la música, para unas copas y para esos pequeños rituales que convierten cada partida en una experiencia de auténtica concentración, evasión, camaradería y reto.
