

## BEAM PENDANT 46

The Beam Pendant reinterprets the classic shop lamp. Using LED arrays as our jumping off point, we explored linear manufacturing processes to arrive at our material palette of plywood, extruded aluminum and rolled acrylic. We shape these materials into a fixture with angled sides and rounded ends that imply movement and directionality.

Available in three lengths and two finishes, Beam is equally at home in a dining room or conference suite. In Opal acrylic the translucent shades provide a warm, refracted light, while in Oak plywood the opaque shades direct and bounce light downwards.

### DIMENSIONS/ WEIGHT

46" x 6.5" x 5.5", 8 lbs

### DROP HEIGHT

8' Flexible Cord and Brass Aircraft Cable, one J-Box required

### BULB/ TECHNICAL SPECS

Warm-White integrated LED 40W  
 2700K standard, 3000K, 3500K, &  
 Warm Dim upon request  
 90+ CRI, LED lifespan 50k hours  
 Oak 2180 Lumens standard  
 Opal 2740 Lumens standard

### J-BOX SPECS

Connects with ceiling J-Box  
 with ceiling cutout under 5" DIA,  
 J-Box should be mounted 18" off  
 fixture center

### VOLTAGE

120V/277V  
 220V upon request

### FINISH OPTIONS

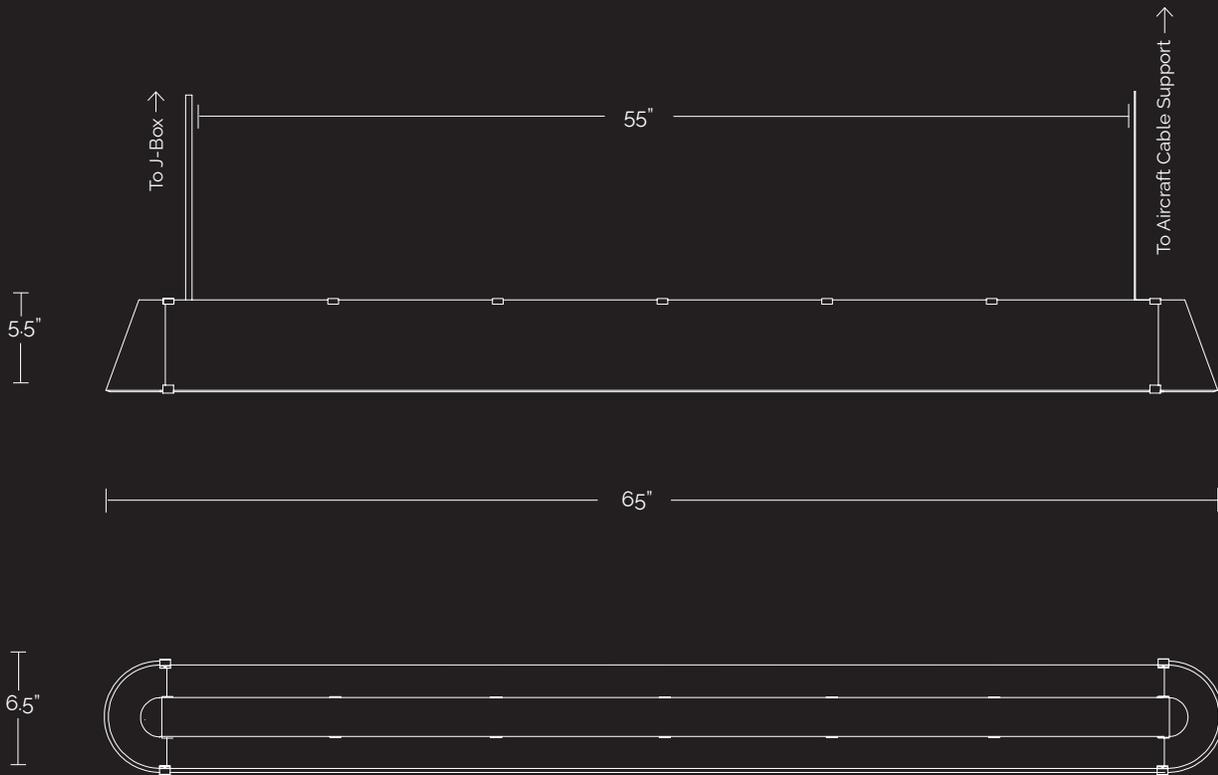

Oak  
 Opal

### CERTIFICATION

UL Listed, cUL  
 Damp Rated  
 CE Listed upon request

### DRIVERS & DIMMABILITY

ELV Dimmer Recommended  
 Dims to 10%  
 0-10V Dimming Upon Request  
 Recommended ELV Models:  
 Lutron Maestro: MAELV-600  
 Lutron Diva: DVELV-300P  
 Lutron Skylark: SELV-300P

## BEAM PENDANT 65

The Beam Pendant reinterprets the classic shop lamp. Using LED arrays as our jumping off point, we explored linear manufacturing processes to arrive at our material palette of plywood, extruded aluminum and rolled acrylic. We shape these materials into a fixture with angled sides and rounded ends that imply movement and directionality.

Available in three lengths and two finishes, Beam is equally at home in a dining room or conference suite. In Opal acrylic the translucent shades provide a warm, refracted light, while in Oak plywood the opaque shades direct and bounce light downwards.

### DIMENSIONS/ WEIGHT

65" x 6.5" x 5.5", 14 lbs

### DROP HEIGHT

8' Flexible Cord and Brass Aircraft Cable, one J-Box required

### BULB/ TECHNICAL SPECS

Warm-White integrated LED 54W  
 2700K standard, 3000K, 3500K, &  
 Warm Dim upon request  
 90+ CRI, LED lifespan 50k hours  
 Oak 3270 Lumens standard  
 Opal 4110 Lumens standard

### J-BOX SPECS

Connects with ceiling J-Box  
 with ceiling cutout under 5" DIA,  
 J-Box should be mounted 27.5" off  
 fixture center

### VOLTAGE

120V/277V  
 220V Upon Request

### FINISH OPTIONS

Oak  
 Opal

### CERTIFICATION

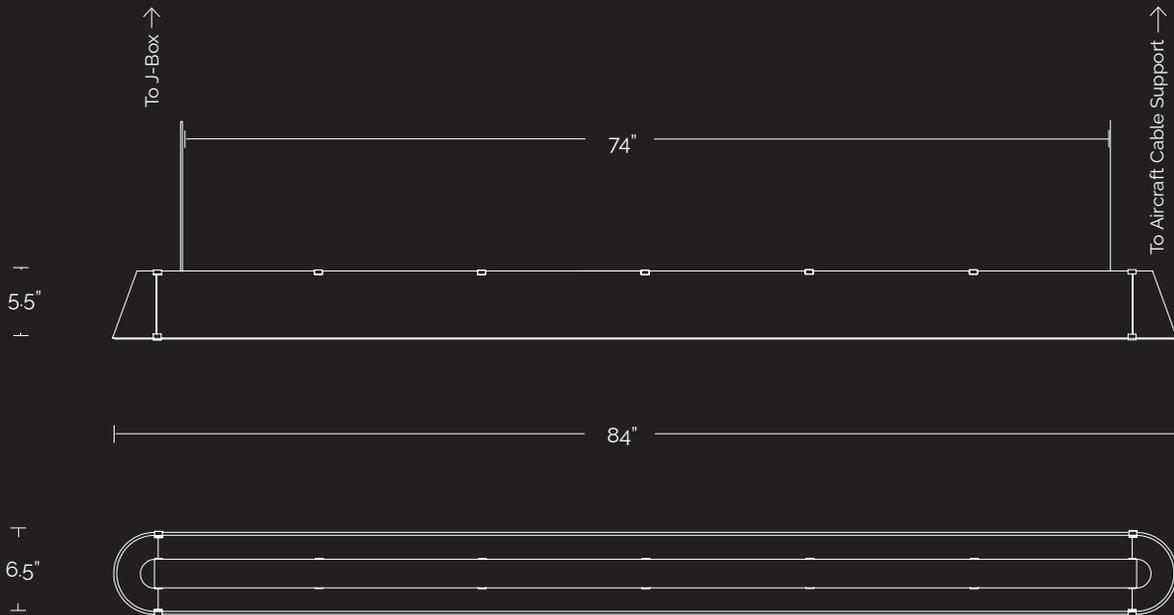

UL Listed, cUL  
 Damp Rated  
 CE Listed upon request

### DRIVERS & DIMMABILITY
