An aluminum cylinder, available in black or white, and in two possible heights. Inside, it houses a glass brick—an emblematic building material from the 1980s, celebrated for its translucency, which offers both privacy and a sense of order. The textured surface of the molded glass diffuses a fractured light—scattered, yet still sharp, focused, and directional.

This luminous beacon sets bright points in the darkness and traces pathways without the need for a supporting wall. A bold, self-standing guiding light that confidently shows the way forward.

### General description:

Texturized black or white metal structure.

Glass block shade.

Suitable for Wet locations (American version).

### Approximate weight (unpacked):

(A) 3,3 kg / 7.2 lb

(B) 4,2 kg / 9.2 lb

### Technical information:

Light source included (dimmable):

Built-in LED

Rated input wattage: 4 W

Operating voltage: 120 mA

CCT: 2.700 K

CRI: 90

Lifetime: 40.000 h

Luminous flux: 204 lm

Suitable for dimming 1-10V / DALI. Not included  
external dimmer switch 1-10V / DALI.

Suitable for outdoor use.

Non-replaceable light source.

Input voltage: 100 ~ 277 Vac.

(50 Hz / 60 Hz). According to destination.
