Designed by Santa & Cole co-founders Gabriel Ordeig Cole and Nina Masó, La Bella Durmiente (Sleeping Beauty) is a totemic volume that explores the expressive potential of color, playing with contrasts between warm and cold hues. The result is a visually dynamic and balanced composition. Contemplation and imagination. A composition that nods to the geometric abstraction of Piet Mondrian or Theo van Doesburg.

Born in 1985 as a defiant response to an era dominated by cold halogen lights and stark metal structures, this lamp championed colorful fluorescence (now LED) when this light source was considered blue and soulless.

"It was a time of artistic expansion without predefined limits—very sweet, very beautiful. Critics ignited a debate to draw a line between art and design, an absurd distinction that only stifled creativity. That's when La Bella Durmiente was born."
— Xano Armenter

The shade is now printed with pigmented inks on a special paper, achieving a clean, precise, and rich finish. A transparent laminate protects it from moisture and the passage of time. Two tiered black-lacquered wooden end caps frame this sculptural piece, secured with a threaded closure.

General description:

Cardstock shade with Giclée print laminated with protective film.
Base and top cover made of black lacquered wood.
Internal aluminum structure with LED module and transparent methacrylate tube.
Foot switch. Adjustable legs for leveling on uneven floors.
Electric cable length: 2,5 m / 98.4".

The 2025 reedition maintains the original dimensions, allowing new screens to be replaced on old structures.

Approximate weight (unpacked):

(A) La Bella Durmiente: 5,4 Kg / 11.9 lb
(B) La Bella Durmiente Menor: 5 Kg / 11 lb

Technical information:

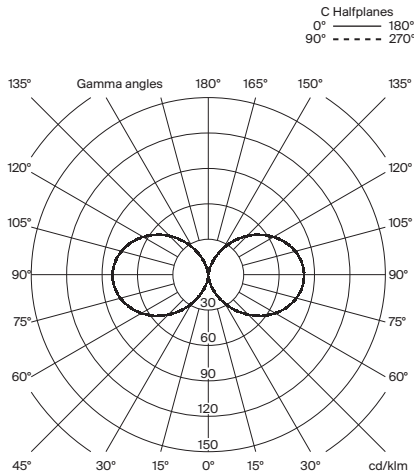

Light source included
Built-in LED

Rated input wattage european version: (A) 41 W / (B) 31 W
Rated input wattage american version: (A) 40 W / (B) 30 W
Operating voltage: 24 VDC
CCT: 2.700 K
CRI: 90
Lifetime: 40.000 h
Luminous flux: (A) 724 lm / (B) 362 lm

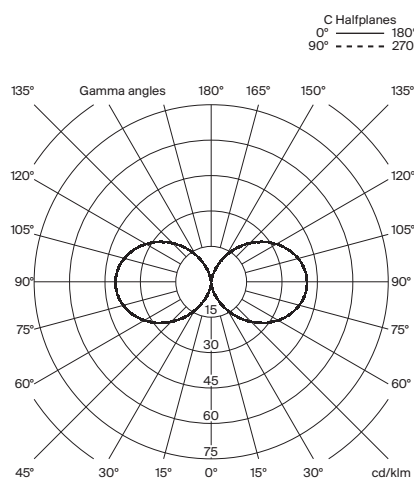

Suitable only for indoor use.
Non-replaceable light source.

Input voltage: 100 ~ 277 Vac.
(50 Hz / 60 Hz). According to destination.

(A) La Bella Durmiente

(B) La Bella Durmiente Menor

Regulations:

European version
 UNE-EN 60598
 UNE-EN 55015
 UNE-EN 60529

American version
 Dry location only
 UL-1598
 UL-8750
 E-363621

Maintenance:

Clean with a smooth cloth. Do not use ammonia, solvents or abrasive cleaning products.

Others:

The lamp is delivered in one package.
 The assembly instructions are delivered with the product.
 Follow the instructions carefully when unpacking the product.
