

Betony

SW32520

DESCRIPTION

The Betony large outdoor wall lantern redefines tradition with a gracefully tapered form, finished in weathered zinc oxide for a rich, understated depth. A stylized crown accents the roofline, adding a touch of elegance to the classic silhouette. Clear, polished glass panels encase the design, showcasing a trio of candlesticks at its center. A round beveled mirror behind the candlesticks amplifies the warm glow, creating a luminous and inviting ambiance.
