

# Milton

## SW31517

### DESCRIPTION

Classic charm merges with modern elegance. The Milton wall lantern's subtle tapered design adds texture, while four petite ball feet provide a graceful, elevated stance. A stacked roof element enhances its architectural silhouette, complemented by a striking grey oxide, weather-resistant finish. Brass-trimmed doors with clear glass shades encase a trio of candle slips nestled within, while a round mirror on the lantern's inside wall amplifies a warm, inviting glow.
