

The PENSÉE is a refined, contemporary interpretation of a timeless silhouette. With its classic profile and compact form, it delivers our most refined luminaire experience to date.

Available as a table lamp, wall lamp, and ceiling/wall variant, the PENSÉE emits a soft, calming glow through its beautifully handcrafted opal glass diffuser.

The table version features our exclusive DJ dimmer base, offering intuitive light control. The wall version incorporates the DJ function as a simple ON/OFF switch, while the ceiling/wall variant presents a clean, no-fuss design that allows the fixture to blend effortlessly into a wide range of interiors.
