

Oblò,
Design by Paola Navone

Model Oblò small

Oblò is a pendant lamp with a distinctly decorative character that combines Lodes' expertise in versatile and modular lighting solutions with the unique and distinctive personality of Paola Navone – OTTO Studio. With its playful spirit and numerous references to the sea and the nautical world, Oblò evokes marine imagery and offers new insights into the use of Pyrex in lighting, shaping it like a liquid material into the product's fluid silhouette.
