

## **Sling**

### GENERAL INFORMATION

Sling textile is a water-repellent textile with high UV resistance, which makes it a good choice for outdoor use. It is made of 100% Woven Vinyl-Coated Polyester and is therefore very durable in changing summer weather and keeps the furniture seat and back from sagging.

### CARE & MAINTENANCE

Wipe the textile with a firmly wrung cloth.

### CLEANING & STAIN REMOVAL

To remove stains, use a wrung cloth with soap and water and finish by wiping with a dry cloth.

### CAUTION

Sharp objects can scratch, and damage textiles.
