## Crown

PENDANT

SkLO + AvroKO

The Crown lighting series nestles groups of lit, handblown glass cylindrical shapes beneath supporting brass domes. The Crown Pendant arranges 4 lit opaque glass shapes beneath its dome. The tops of the glass shapes curve elegantly to share the geometry of the dome itself. The glass is available in 2 lengths. Available in multiple opaque glass colors and brass hardware finishes. Part of the SkLO + AvroKO collection – a collaboration between SkLO and the AvroKO Partners.

Sockets 220-240V G9 7W Max (LED bulbs included)

Requires recessed electrical box for installation

Standard canopy does NOT accommodate sloped ceilings or swagging of this light. Other canopy options are available at an additional cost. Visit the Accessories page on our website to see available canopy options and review compatibility

This fixture is compatible with one or more of SkLO customizable multi-pendant canopy systems. Visit the Accessories page on our website to see available systems and review compatibility

Fixture length:

Fixture includes our field-adjustable Standard Stem Kit (consists of (1) 152mm, (2) 305mm, and (1) 458mm combinable stem sections) – additional Stem Kits are available at additional cost

Our field-adjustable Extended Stem Kit is available at additional cost (consists of (1) 152mm, (1) 305mm, (1) 458mm, (1) 610mm and (1) 915mm combinable stem sections)

Custom cut-to-order stems (not field-adjustable) available – requires specified OAL (overall drop length) – minimum OAL 540mm (LT633) and 635mm (LT634). Lengths over 1610mm (LT633) and 1705mm (LT634) available at additional cost

Fixture weight (approximate): 9kg

Handblown glass production results in variation in dimensions, shape, color saturation, color tint, and imperfections such as small bubbles. This is part of SkLO design intent
