

TYCHO

7641.39-MB

Sonneman

Tycho pairs the natural beauty and luminous quality of alabaster with the clean lines of contemporary design. Integrated illumination radiates from the center of each stone piece, flooding the surface with light and highlighting the unique veining. Minimalist metalwork in Modern Brass finish creates an architectural anchor. Tycho is available as a 1- and 2-light wall sconce, as well as a 2-light pendant.
