

PRODUCT DESCRIPTION

Classic diamond facets were the concept behind the facets of the crystal shades in round or baguette rectangular frames. Just like a Medallion, they can be installed on the wall with ADA compliant extensions or onto your ceiling adding opulence to your space. The indirect LED light source is sealed within an irregularly faceted diffuser and a polished back plate creates a dazzling reflective display. Frames are finished in burnished Gold with a neutral, warm 3000k color temperature.
