DESCRIPTION

Designed for flexibility, the Club Teak Backless Bench can be used in various spaces, both large and small. Its sleek, backless design makes it perfect for patios, gardens, or poolside areas. Crafted with solid mortise-and-tenon joinery and durable plantation-grown Indonesian teak, the Club Teak Backless Bench ensures years of enjoyment and robust performance. Our teak is FSC-Certified, sourced from well-managed, responsibly harvested plantations, emphasizing sustainability and environmental responsibility. The bench can be enjoyed with or without a cushion, allowing for customizable comfort. Simply designate your choice in the "Select a Cushion" dropdown.
