

## Rosso Console Table

109076

A console table that evokes a modern industrial design, making it perfect for living or lounge spaces. Features a black wood frame with drawers in a brown rustic oak veneer. Completed with a matte black iron legs and aluminum handles. Anti tipping kit included. Pairs well with the Rosso media console and cabinet. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
