

Brylea Counter Stool - Brown

110518

A mid-century modern counter stool with an open back design. Stocked in shalimar tobacco leather with an exposed solid oak wood frame. Handle with Care: This design has been crafted with 100% top grain leather. Leather is a natural material; as such, colour variations, markings, wrinkles, grooves and light scratches are acceptable and appreciated characteristics. No two pieces are alike. Visit our Product Care page for more information on how to ensure the lasting beauty of this piece. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
