

Carlin Nightstand

111018

This bold nightstand will command attention in any bedroom space. Features a black mango wood frame with dramatic sculpted details on the face of the two drawers. Black powder-coated aluminum handles complete the modern look. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece. Made in India. With refined craftsmanship, this design was brought to life by skilled local artisans. By nature, these materials develop unique imperfections such as fissures, markings and colour variations for a truly one-of-a-kind piece.
