

## Carlin Sideboard - Small

105642

This bold sideboard will command attention through living, lounge and dining spaces. Features a grey mango wood frame with dramatic sculpted details on the face of the two cabinets. Steel legs complete the urban and contemporary look. Made in India. With refined craftsmanship, this design was brought to life by skilled local artisans. By nature, these materials develop unique imperfections such as fissures, markings and colour variations for a truly one-of-a-kind piece. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
