

## Horton Dining Chair - Dark Brown

111316

The Horton Dining Chair highlights the beauty of simplicity in contemporary design. A sculpted three-legged frame with a curved back constructed from dark brown oak wood embraces the comfort of a beautiful seat upholstered in our luxurious sahara sand top grain leather. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece. Handle with Care: This design has been crafted with top grain leather. Leather is a natural material; as such, colour variations, markings, wrinkles, grooves and light scratches are acceptable and appreciated characteristics. No two pieces are alike. Visit our Product Care page for more information on how to ensure the lasting beauty of this piece.
