

Horton Dining Chair - Rustic Oak

111317

The Horton Dining Chair highlights the beauty of simplicity in contemporary design. A sculpted three-legged frame with a curved back constructed from rustic oak wood embraces the comfort of a beautiful seat upholstered in our forest green fabric. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
