

Orlo End Table

110196

Understated elegance with a classic silhouette sums up the Orlo End Table. The antique brass base beautifully complements the grey Italian marble top to finish the equation. As marble is a natural material, unique veining, pitting, fissures, micro-cracks and colour variations are all characteristics that add to the uniqueness and beauty of each piece. Made in India. With refined craftsmanship, this design was brought to life by skilled local artisans. Due to the nature of handcraftsmanship, unique imperfections such as fissures, markings and variations in colour and shape are welcomed and appreciated characteristics for a truly one-of-a-kind piece.
