

Rebel Console Table

106828

A modern console table designed to add a minimalist touch to living and lounge spaces. Crafted with a charcoal grey oak wood veneer top and a grey marble veneer base. As marble is a natural material, unique veining, pitting, fissures, micro-cracks and colour variations are all characteristics that add to the uniqueness and beauty of each piece. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
