

Auburn Nightstand

111819

Inspired by global travels, the Auburn Nightstand exudes an exotic vibrance. Characterized by a unique antique brass ombre patina on the front doors. This piece features a cord management opening at the back, allowing it to transform into a small media unit when paired in multiples. Made in India. With refined craftsmanship, this design was brought to life by skilled local artisans. By nature, these materials develop unique imperfections such as markings and colour variations for a truly one-of-a-kind piece.
