

Hoyos Nightstand

110660

The Hoyos Nightstand is a study in simplicity. Subtle curves on the drawer fronts provide a striking pattern and give added definition to its silhouette. Crafted from poplar wood and oak veneer with warm brass aluminum handles. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
