

## Meadow Dining Armchair

111450

Functional with a timeless design, the Meadow Dining Armchair offers a clean silhouette that will suit any space. Stocked in heather ivory tweed performance fabric with a matte black iron frame with solid oak wood detailing on the armrests.

Performance fabric is moisture repellent, stain resistant and easy to clean. As wood is an organic, porous material, these pieces will contain natural variations of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
