

## Zanatta Barstool

111798

The Zanatta Barstool is all about the subtle details. The hammered metal detailing in the antique brass curved frame provides visual interest that will stand out in any dining space. A tan leather seat completes the look. Handle with Care: This design has been crafted with aniline leather. Leather is a natural material; as such, colour variations, markings, wrinkles, grooves and light scratches are acceptable and appreciated characteristics. No two pieces are alike. Visit our Product Care page for more information on how to ensure the lasting beauty of this piece. Made in India. With refined craftsmanship, this design was brought to life by skilled local artisans. Due to the nature of handcraftsmanship, unique imperfections such as fissures, markings and variations in colour and shape are welcomed and appreciated characteristics for a truly one-of-a-kind piece.
