Umea Hand-woven Rug

106219

This luxurious rug was handwoven by skilled artisans for a comfortable, contemporary look. Weaves feature a dense wool-blend in black, dust and silver. Available in three sizes. Variations in colour, design and size are to be expected and embraced in each rug due to the distinctive weaving process followed by each artisan, resulting in a truly one-of-a-kind piece. Shedding is inherent to wool rugs and will subside over time with regular vacuuming.
