

Meknes Hand-woven Rug

109341

Add a touch of nature to your space with this hand-woven rug made by skilled local artisans. This rug is made from jute, and the neutral colour makes it ideal to incorporate in many design projects. Available in four sizes. Variations in colour, design and size are to be expected and embraced in each rug due to the distinctive weaving process followed by each artisan, resulting in a truly one-of-a-kind piece. Handle With Care: This design has been crafted with jute, a natural plant fibre. Shedding of loose fibres is normal and will eventually subside. Visit our Product Care page for more information on how to ensure the lasting beauty of this piece.
