

## Oslo Hand-tufted Rug

109369

Bold lines create a maze-like pattern on this hand-tufted rug made by skilled local artisans. With its wool composition in complementing beige and grey hues, this rug is sure to impress. Available in four sizes. Variations in colour, design and size are to be expected and embraced in each rug due to the distinctive weaving process followed by each artisan, resulting in a truly one-of-a-kind piece. Shedding is inherent to wool rugs and will subside over time with regular vacuuming.
