

Rovira Chandelier

111807

The Rovira Chandelier is an artful examination of the beauty of natural stone. Thick, hand carved panels of alabaster imported from Spain are held between a brushed gold iron circular frame for a dazzling design. The translucent nature of alabaster allows light to flow through, emitting a soft ambient glow. When lit, this design truly comes to life. As alabaster is a natural material, unique veining and colour variations are all characteristics that add to the uniqueness and beauty of each piece.
