

Ashanti Storage Ottoman - Small

103762

This glamorous ottoman from offers elegance and allure. Features a beautiful geometric design with added storage. Stocked in black cowhide with a polished gold steel frame or grey cowhide with a polished silver frame. As cowhide is a natural material, organic markings on the animal may still be visible and there may be apparent differences in hair length, colour, and pattern. No two pieces are alike and images on site may not capture these qualities precisely. Made in India. With refined craftsmanship, this design was brought to life by skilled local artisans. By nature, these materials develop unique imperfections such as fissures, markings and colour variations for a truly one-of-a-kind piece.
