

Dorada Sideboard

111905

Effortlessly modern with a refined silhouette, this impressive sideboard will add style to any space. Crafted from a wood frame with a high gloss grey finish. Features three cabinets with a linear design. Completed with gold stainless steel hardware. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
