108839

Combining modern style with a hint of global inspiration, this office chair will add texture to any workspace. Stocked in linoso ivory performance fabric and features solid black rubberwood arms with accenting natural rattan. Completed with a gold stainless steel base with castors. Performance fabric is moisture repellent, durable and easy to clean. Handle With Care: This design has been crafted with rattan. This artisan-crafted material features intricate weaving that results in natural variations where no two pieces are alike. Colour and texture differences are to be expected and embraced with this natural material. Due to the weaving process used, the fibres in this material may display shorter or longer lengths where the weaving ends. Visit our Product Care page for more information on how to ensure the lasting beauty of this piece.
