

Danbury Sideboard

109758

Polished and sleek, this sideboard boasts a stellar modern design. Features a wooden frame in a modern cream finish. Includes four pull-type drawers with rustic bronze steel accents. Completed with black powder-coated steel legs and gold metal footcaps. Can also be used as a media console and cabinet. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
