

## Carment Side Table

105503

A truly unique end table. This design features a bold concrete base, a brushed brass steel rod and an oval terrazzo top. Terrazzo consists of chips of marble, quartz, granite and glass for a unique look; no two pieces are alike, and colours and/or patterns will vary. Crafted from a natural concrete mix, each piece will look different. Variations in colour, texture, imperfections, surface scratches and non-structural hairline cracks are considered inherent and valued qualities of the material.
