

Deja Coffee Table

109614

Combining a rich mix of materials, this oval coffee table is inspired by mid-century designs. Features a white Banswara marble tabletop and a grey acacia wood shelf. Completed with an antique brass iron frame. Made in India. With refined craftsmanship, this design was brought to life by skilled local artisans. By nature, these materials develop unique imperfections such as fissures, markings and colour variations for a truly one-of-a-kind piece. As marble is a natural material, unique veining, pitting, fissures, micro-cracks and colour variations are all characteristics that add to the uniqueness and beauty of each piece.
