

## Dean Dining Chair - Antique Brass

103775

Stunning from all angles, this dining chair features an exposed brushed antique brass steel frame. A streamlined seat in cantina black bonded leather completes the look. Perfect for restaurants, bars and residential spaces. Handle with Care: This design has been crafted with bonded leather. Bonded leather is a blend of reconstituted leather and synthetic materials crafted to reflect the natural characteristics of leather; as such, colour variations, markings, wrinkles, grooves and light scratches are acceptable and appreciated characteristics. No two pieces are alike. Visit our Product Care page for more information on how to ensure the lasting beauty of this piece.
